To Whom It May Concern:

Please accept this letter as my personal recommendation for Mike Bridgman. As Executive Vice President of Clair Brothers Systems, we selected Mike out of several local designers for our new website. As our project nears completion, Mike informed me of his desire to move to Chicago and pursue a new career in the city.

Mike first visited Clair Brothers after being recommended by one of our employees. He sat down with our marketing department and came prepared with a long list of questions. This helped us realize some details we hadn't even considered, and I remember being very impressed by his knowledge and enthusiasm. When it came time to pitch, we set an entire day aside for presentations from multiple local companies. Mike's mock-up, powerpoint, and presentational skills were all top-notch. I know everyone on our staff was incredibly impressed and the choice was obvious.

Outside of Clair Brothers I came to know Mike personally through a local Irish Pub that I own. Having shared many pints with him, I can safely say that he has a genuine, well-rounded character. I would highly recommend Mike to your agency.

Sincerely yours,

Gene Pelland
